WHAT TO EXPECT DURING YOUR RIDE

Safety and Security

- Passengers will not be allowed to board trains at Washington, DC until the track number is posted. We ask that you cooperate with train crews and ushers by remaining within the station waiting area until the train is ready for boarding.
- **The conductor is in charge of the train.** Follow his/her instructions while riding any MARC Train. Please inform the conductor of any service problems you may experience or if you need assistance prior to arriving at your destination.
- Improper conduct, intoxication, offensive actions or language that is objectionable to other passengers and/or the train crew or is disruptive to the safe operation of the train is not permitted. Passengers displaying disorderly conduct will not be transported and will be asked to leave the train. No refunds will be made to passengers who have been removed from the train under these circumstances.
- For safety and consideration of other passengers, please do not stand in aisles when seats are available. Standing is never allowed on stairs or in vestibules (the space between train cars where passengers enter and exit the train). Conductors will direct standing passengers to seats when available. Please remain in your seat until shortly before arriving at your station for your own safety and as a courtesy to others.
- **Be part of MTA's security campaign: If You See Something, Say Something! Visit securetransit.org for more information. If you see something suspicious, call the MTA Police at 410-454-7720.**
- Report any suspicious individuals or behavior to your

conductor, uniformed employee, police officer and/or a ticket agent.

- Keep your personal belongings with you at all times.
- Be alert to other passengers and remind them if they leave any parcels behind.

Courtesy Considerations While Riding

- No seats are reserved on MARC trains. Please do not inconvenience others by holding seats or blocking seats with parcels or items of clothing, including the middle seat in single-level cars.
- Each train has one or more cars equipped to accommodate passengers who need to secure mobility devices. Contact the conductor for assistance.
- Please do not place feet, food or beverages on seats, even when protected by newspapers or other coverings.
- Not all doors open at every station. Listen for announcements regarding which doors will open.
- Maryland law requires that all audio devices be used with a headset, and the volume kept to a level that will not disturb others while in public areas and onboard trains.
- Please help keep MARC trains clean by depositing trash in designated receptacles on the train or on platforms.

Display of Tickets

Passengers must allow conductors or any authorized MARC representative to inspect all tickets or cash fare receipts upon request. Tickets may be inspected more than once during a trip. Tickets must be removed from any carrying case if requested by the train crew and, if presented after date of expiration, must be surrendered. Passengers without valid tickets are subject to removal from the train, fines and/or prosecution.

Ticket Forfeiture

Alteration or mutilation of any ticket, or obtaining a ticket deceptively for the purpose of fraudulent transportation will result in forfeiture of ticket, removal from the train, and possible fines and/or prosecution. Fraudulent MARC tickets confiscated on board will be turned over to the MTA Police for investigation.

Quiet Cars®

Most rush hour MARC trains have a Quiet Car®, which is located next to the locomotive. These trains are noted with a "Q" at the top of the column in the current MARC timetable. Passengers in the Quiet Car® may not talk on their mobile phones and are required to keep all audio devices, such as laptops, PDAs and pagers on silent mode or turned off. Text messaging or emailing from

mobile phones, PDAs or laptops is permissible if these devices are in silent mode. Seating is available on a first-come, first-served basis. Note: Quiet Car® is a registered service mark of Amtrak.

Smoking

Smoking is not permitted onboard MARC trains or inside MTA-owned stations, waiting rooms, or on MTA-owned or leased platforms. This policy includes electronic cigarettes. Amtrak policies apply at Amtrak-owned stations (Washington, New Carrollton, BWI Marshall Airport, and Baltimore Penn Station).

Children

Children under 8 years of age may not travel unless accompanied by a full fare-paying parent or guardian (16 years of age or older).

Baggage

Only items which can be safely and easily carried by the passenger may be brought on the train. Large carry-on bags are discouraged on rush hour trains due to lack of storage space. The following items are not permitted on trains: non-folding baby carriages, bicycles (except folding bikes), surfboards, skis and any items which may cause safety hazards or inconvenience to other passengers. For safety reasons, folding bicycles and hard-sided luggage are not allowed in the overhead racks.

Pets and Service Animals

Only small pets confined in closed carriers are permitted on MARC trains. Service or comfort animals accompanying passengers with disabilities who require the assistance of these animals are welcome onboard.

Severe Weather and Special Service Schedules

During periods of severe weather, MARC may also operate the "S" (Special Service) schedules in order to maintain a more reliable service. Please note that certain trains will make additional station stops when the "S" schedule is in effect. These stops are listed in the schedule footnotes for each MARC line. Schedules may also be adjusted during the Christmas and New Year's holidays. Please consult the MARC timetables.

Heat Orders

High temperatures affect the operation of MARC trains. **CSX Transportation**, which operates the Camden and Brunswick Lines, may impose heat-related speed restrictions, or heat orders. Trains operate 20 mph

slower than normal, but not less than 40 mph. **Amtrak**, which operates the Penn Line, imposes heat-related speed restrictions when temperatures exceed 95 degrees. Speed reductions vary based on the intensity of the heat. More information is available at www.tinyurl.com/marchhighheat.

MARC riders are represented by an all-volunteer advisory council that meets monthly in Washington, DC. See the Council website for more details: www.marcriders.com. To contact them with any questions please email at: marccouncil@mta.maryland.gov.

West Virginia MARC Train Fare Surcharges

Passengers whose departures originate at or from a West Virginia MARC station (Martinsburg, Duffields, Harpers Ferry) to or from any station in Maryland or Union Station, must add a surcharge to the regular cost of the following tickets:

\$2.00 on a one-way ticket — \$20.00 on a weekly ticket — \$80.00 on a monthly ticket

The \$2.00 one-way surcharge is incorporated in the fare chart above. To calculate weekly or monthly costs, subtract \$2.00 from the fare listed, convert below, then add \$20.00 or \$80.00, respectively.
